Public Legal Information Association of Newfoundland and Labrador (PLIAN) is a non-profit organization dedicated to educating the people of Newfoundland and Labrador about legal issues. We are the Newfoundland and Labrador component of Public Legal Education Association of Canada (PLEAC). This national association is a network of Canadian legal education societies.

PLIAN is funded primarily by the Department of Justice, Canada, the Department of Justice, Newfoundland and Labrador and the Law Foundation of Newfoundland and Labrador.

Our mandate is to assist Newfoundlanders and Labradorians in understanding the law and to make the legal system more accessible. We provide many services including a Lawyer Referral Service, Legal Information Line, School Visits, Community Sessions, Youth Justice Camps and LAW-ON-LINE. We also regularly produce publications and resources on many areas of the law, which we distribute throughout Newfoundland and Labrador, the rest of Canada and other countries. Many of these publications are available on our website in English, French, Innueimun and Inuktitut at: **www.publiclegalinfo.com**

PLIAN acknowledges the Department of Justice Canada, Youth Justice Policy, who provided the funding and support for this project. In particular, we thank Pauline Cormier, Amy Baker, Paula Kingston, Janice Durston and Elizabeth HENDY.
